Well, I'm planning on running a 50 player server, nothing but Fanmaps, much like "RenWars" and some of those "Renstation.net"s. Instead of running Fan Map Night only on Saturday Nights, it'll be running all the time. Ofcourse at first I'll probably run some common maps.

If you're interested in donating, please e-mail me at webmaster@renfiles.com. That is not my PayPal account, so do not send money to it.

Thanks.
