bottom line is if you don't like what someone is saying, don't be a little girl about it. I should really be making a poll requesting every idiot in that topic to be banned too. I know none of you would be banned, though. 5-star hypocrisy, case closed.

What the hell are you talking about 'fox - nobody is being a "little girl" about it - in fact many have come right out, as in this topic, & have expressed their disgust with his comments - albeit, some are less tactful than others. Nothing I said in that topic post regarding Ripin' was "idiocy" - I merely pointed out that his comment represents the typical, careless babble of many apathetic Americans...His words were spewed out like vomit before he thought about it. Any individual who steps foot in that hell hole, as their chosen duty to their country & fellow citizens, should be given the utmost respect. Saying Ripin' went over there "for nothing" is Kinghigh's freedom afforded opinion, but disrespectful nonetheless...

I dunno ::shrugs shoulders:: maybe we should have 'em stick around & perhaps there is hope that his intellect is just pre-pubescent...
