Weren't you molested as a child? I certainly wouldn't want to go anywhere near that vagina...lol @ Chrono asking his sheltered cyber gf for help after making a fool out of himself in that other thread...what a man.

What does me being exploited as a child have to do with the state of my vagina?

And ChronoJam didn't ask anything, I found this place after people were linking to it publicly and discussing it. Yes, you are now an internet super star like you've always wanted to be, cool eh? =P I'll ignore the potshots you threw in for your sake, since you don't know me personally and are just trying to insult me, although I honestly do want to know your reasoning for "Weren't you molested as a child? I certainly wouldn't want to go anywhere near that vagina...".

Also, why are you a huge jerk on forums, but relatively nice to me on aim?

1. Ask Dr.Drew about your sexual issues...judging from the reactions, others here got the message.
  2. You're quite naive for expecting another reaction, but maybe you're just masochistic? Wouldn't surprise me considering your backstory.
  3. Trooper, it was really me who kicked your ass yesterday.
