There was something in PC Gamer magazine that talked about another C&C game. It was a Q&A section. I think it was something like...

"Q: Is there going to be another Command & Conquer game?"

"A: Ho Ho Ho!"

I don't know if that's what it said exactly, but it's something similar to that. So that might be a sign that TT might come around the holidays. No, it won't be Zero Hour because it's schedued (SP) to be released earlier before the holidays.
