I need the site owner to acknowledge me and to contact me regarding possible legal action against your site and its operators.

one of your (actually several)admins/ mods has been harrassing and insulting since i joined this forum and now he has Committed a crime against me.

AND MR goztow, You have went to far this time.  
I have the proof and evidence of this crime.

IF this situation is not dealt with in 24 hours.  
And if I suffer any repercussions from his act , I will have it prosecuted without delay.

Thank you,

I have an attorney on retainer and i will need some information regarding your personnel.If you do not forward this information,  
My attorney will be contacting you.  
That is all.And MR goztow, no matter what , you will be responsible for your actions I will not stop till you do.

Such a warm welcoming site you have by the way....
