I'll check in a moment.

I feel left out though, I mean I pointed out he was beleived to have cheated (in two topics, within the space of two hours: First post, Mon 24 Aug, 2009 @ 19:11 and Second post, Mon 24 Aug, 2009 @ 20:54) and I don't get sued!

I'm going to go and cry now.

(Obviously, as I am about to get sued, I need to make sure my claims are entirely valid, and back them up with evidence!!)
