Server: the server will be hosted by Jelly (US based).

Signing up is possible until a few days before the game. All members of this forum can signup for this team, on a first come first served base, but let me make it clear that I can reject a candidate without motivation, based on personal judgement (I doubt this will happen but u never know). Signing up for renforums means you cannot sign up for jelly and vice versa. If you signup, then we count on you showing up.

We ask all players of our team to use teamspeak. You don't really need a mic though, you can just listen in. TS adress: ts3.thekoss2.org . Download teamspeak3 from www.teamspeak.com .

Spoony will lead our team. We'll create a private strategy talk subforum for these games soon.
