Guys, Don't feed into that shit fest of drama over there. This is what happens when people have nothing else better to do with their own lives then to try to mess with people and pick fights. Nothing we did sparked any of that mess, its just some idiots trying to bite their own elbows, and seeing how many people they can get to watch.

/I have nothing better to do with my life  
//Excuse me while I celebrate closing on my new house with a night of BBQ  
///Gamestop lolol  
////Nothing you did caused Naamloos/Raapnaap to leave, right? Sort of like how his post calling you an idiot disappears right before he quits? lol
