[20:47:36] <liquid[WoT]> answer my question lol

[20:47:49] <liquid[WoT]> why can't you just ignore her and move on? i don't see what problem still exists

[20:47:57] <liquid[WoT]> i would rather not have to ban someone because one person has an issue with them -- HMMMMMMMMMM

[20:48:04] <liquid[WoT]> you haven't given me a single reason why that doesn't fix everything

[20:50:10] <AnThRaX> she is stalking me

[20:55:13] <liquid[WoT]> if you put her on ignore she can't do anything to you

[20:55:28] <AnThRaX> if i put her on ignore she will spread more personal information about me without me knowing

[20:55:33] <liquid[WoT]> ah

[20:55:42] <AnThRaX> .

[20:56:02] <liquid[WoT]> that's what i asked you like 4 times and you just now answered

[20:56:17] <liquid[WoT]> i can understand why that would bother you

[20:56:20] <AnThRaX> it seemed pretty obvious ..

[20:56:22] <liquid[WoT]> since i've had the exact same thing done to me

[20:58:10] <liquid[WoT]> i asked her to leave you be like 15 minutes ago

[20:58:23] <liquid[WoT]> so if she doesn't let me or someone else know and we'll take a formal mod action

The formal mod action taken against the offender was removing the victim from the community. That makes sense right?
