Happy Birthday Renegade, indeed! And happy birthday for Renegade forums!

Man, we all have enough willpower and passion to play this great game till we are old. In fact, if I were to die playing Renegade...my life will be well-lived (like die after a nice game in Hourglass during the victory screen)!

What an awesome game unlike no other...matchless!

Renegade lives on forever and will be played by hundreds of gamers while we rot like shit in our graves missing out the fun.

"All good things come to an end"

So either what you're saying is false, or Renegade sucks major ass.
