How is this rare? It's ok, and at least it's a little better than your other skins.

I like it, but the whole "rare" thing makes no sense.

Maybe it's rare because it's a decent skin?

That's quite a misuse of "rare"

That's quite a misuse of "rare"

He means its rare for him to produce anything decent

It snazzy. Any work is good work if it helps you.

It may not be what others like.

I like it. its shows an effort on your part to create.

Keep it up, you can only get better.
