The maps are very detailed, have nicely balanced and looking extra tanks which really enhance the gameplay. The map designs are also splendid.

Zunnie \*isn't\* a general moderator, he is only a moderator for a single forum area, same as myself. I believe only Goztow posts topics to this forum area, based on submissions sent to the link below this area in the index.

that's surprising - how else, then, did it get moved to this section? i can't think of anyone doing it, so i immediately figured Zunnie did it himself

When I decided I could not keep up with it on my own, I asked zunnie if he could add community news. I didn't expect it would be limited to one community, but I'm not sure this section is still of any use anyway.
