When a game lives for 22 years, it sometimes sadly outlives some of its players.

This topic is a tribute to members that marked this community but are no longer among the living. We regularly do an ion cannon tribute for them. :nod: Rest in piece, brothers :nod:

Thanks. So sad that this listvgrows longer. If you would like to add a little phrase to describe them if you knew them then be my guest. I will copy paste it above.
