Hmmm- dont agree on that --- there are alot of new people - so tactics should be shared.(well - in most of the games i'm in it seems like that - i mean - how many mines can you stack? it only takes about 2-3 to kill -- no need to burn your 30 mine limit on a nice neat stack)"Those who forget the past are doomed to relive it" [ July 26, 2002, 11:39: Message edited by: StoneRook ]
