heh heh hehl AM American. Yep - the French gave us the Statue of Liberty. It was as a 'thank you' present for showing them how to stage a revolution. Of course, they muffed that up too. Now they're socialist dogs trying hard to go to full communism. Oh well, their last election swept a bunch of conservatives into power - maybe there is hope for them yet. On my business trip to Paris, I noticed that the same TV channel that played cartoons in the daytime showed XXX porn at night...weird. [July 30, 2002, 11:21: Message edited by: I hate the French]
