newb tactic to put mines just near the doors.If there are many mines, Yes. But if there are "many mines" in one building I just wouldnt go in at all but look for the one that has no mines at all. Ever heard of the word "mine limit" ?Mfg,ChaosEI know the 30 mine limit,but if there are about

english as a Finnish guy? [June 11, 2002, 05:21: Message edited by: SlimyFury]
