quote:5) You Jump out of a flying vehical in high air, right before it is destroyed to save yourself, but you're so high you die tryingWhen I'm a Mobius or Mendoza or one of the 1,000 chars, and I have like 12 health and I'm being shot at, I either jump off something high, or run in some tiberium. That way, they don't get kills, and they don't get 100 Pts for killing me.
