On City, when its a game with like 4v4 or even 5v5...there is a Solo Rush I do if i know where EVERYONE is. I save for a Tech and Stealth, sneak out our little hole in the wall, Ride to the PP. Now - I know where everyone is if there are 4 people near out base entrance.NOONE hears the AGT - NOONE sees the AGT firing..EVERYONE hears the " GDI BAsE Power is Offline " Tho My 2p.
