I heard that they shortened the range of the Raveshaw and PIC... Why? I have no idea why WW would do that... If it is the same range as a mobius, then no one will buy a raveshaw/pic anymore... They should be the ultimate anti-aircraft weapon, but sadly sniper rifles fulfil that purpose even better... What an idea! Make more people use the useless-to-your-team unit than the 4/8 on your team already... Grrr... Teams only need 1-2 snipers, not half their units...
