yeah, kemmy is freakishly powerfully against everything! tanks, buildings, and even infantry! have you ever been shot at by a chem warrior, run away when your health gets low and end up dying from that cursed tiberium poisin! AAARRRGHHHH!!!!!! Have you also noticed that in the first person mode the hands of the chem warrior are black gloves while in third person view he is wearing green and somewhat black gloves! weird!! just thought i'd let you know.
