GDI No Flag NOD And the tib feild isn't showing. No Tib FeildThe flags could be gone because
you didn't place the scripts in the Renegade folder. You may have put them in the Data folder.
Check that out. If you did put them in the right place, then I have no idea why they didn't show for
you. About the Tib field, I don't know what to say about that. Sorry. [January 11, 2003, 12:48:
