CrimsonYeah... this is going well. I haven't even put up the poll yet and I'm accused of rigging it by someone who wants to win. :rolleyes: Maybe I was wrong and this community can't be trusted with a decision.

IF Scrumfy gets enough votes to win, then he will get the "job"... everyone is encouraged to drum up support for yourselves if you want it.

Well, I was just speaking about what a good friend of yours had stated...I assumed he knew your intentions and such. I guess he was speaking out of place again. When does this poll go up?
