Majiin VegetaBlazerRenxI don't think the C4 countdown is a good idea, unless it's only for the person who plants it....then it might be okay...

Only the planter hears it.

unless this is a new countdown mod.. everyone who is close to the c4 can hear it fine

I was just gonna say the same thing!

And btw. I think you forgot to mention that emoticons will also be available.... Or did I forgot to read something?
