Subject: Can I put RenGuard on my site?
Posted by glyde51 on Thu, 16 Sep 2004 00:39:43 GMT

I won't put it there if you don't want it there. But If i can put it there then that is great. I'm trying to get my clan and people that wanna join my clan to use it. If I can't I'll just put a link to it. Thanks
