SuperFlyingEngiAircraftkillerQuote:It's fast to type out, and effective. "ACK."

It's also wrong.

Nuh-uh. Anyone who's anyone on mIRC knows that I'm a flaming idiot who thinks your name is 3 words, not two. It's AirCraftKiller, you just constantly spell it with a lower-case C for some reason.

And you've been spelling your name wrong too, SuperFlyingFungi.
