Take the quiz: "WHAT RELIGION BEST SUITS YOU?"
Atheist You are Godless! You could care less about religion. As far as you're concerned, if you can't see, touch and kick something, it's not real to you. You're day-to-day activities consist of eating, working, sleeping and the occasional Internet or coffee shop debate. Lastly, if anyone chooses to preach at you otherwise, you will either leave or debate them until they finally shut up.

Well yea...there was some guy trying to convert me to Christian once, and basically I just mumbled and mumbled and mumbled until he went away.
