Quote:The British population is comprised mostly of wusses.

How so? How are people wusses because they don't want to go to war? Though personally I think Tony Blair was right for going to war on the information he had, even if it was wrong, he didn't know that.

You may call us Brits "wusses", but most Americans are Retarded for several reasons:
1) The Californians elected the Terminator in a senator or whatever he is.
2) You elected Bush a President.
3) Of all the countries in the world the Americans are the only ones who repeatedly have friendly fire incidents; in fact they do it so often they have a proper name for it i.e. Collateral Damage. For example the British Tornado flying back to base was in the agreed safe zone, was giving out a

the Jundi's had were a few Cold War Migs and it was still shot down.
