rofl..

Quote:FMFear:

ok read this shit!

[20:02] *all* -FM-Soul: {03:00:32} <Kholdstare> any FM on avast = k-lined in a moment
{03:00:36} <luv2pb> yea zunnie just got banned ... who did it?
{03:00:37} <Kholdstare> they can use another server and so can thier bots
{03:01:05} <Kholdstare> he can still connect, he can't use avast.n00bstories.com anymore
{03:01:21} <luv2pb> and the reason you did that was
{03:01:30} -avast.n00bstories.com- *** You are permanently banned from avast.n00bstories.com
(You aren't welcome on this server, use another one. [avast.n00bstories.com - K])
[20:04] *all* -FM-Soul:

ok now he has done it.

perm ban from server and soon forums we dont have time for dickfaces like him!

power hungry jackass.

edit...
* FMSoul has quit IRC (User is permanently banned (You aren't welcome on this server, use
another one. [avast.n00bstories.com - K]))

[01-10|02:36] <FMzunnie> can you leave the fanmaps channel please most of the FM
'ops/admins/mods' dont seem to want you in the channel
[01-10|02:40] <Kholdstare> what?
[01-10|02:40] <FMzunnie> because of the bullshit that happened they dont want you in the
fanmaps channel
[01-10|02:40] <Kholdstare> its your channel is it not?
[01-10|02:41] <FMzunnie> its fanmaps channel... people that pay/support the server most of them
dont want you in
[01-10|02:43] <Kholdstare> most of whom being?
[01-10|02:43] <FMzunnie> the admins of the server
[01-10|02:43] <Kholdstare> names zunnie
[01-10|02:43] <FMzunnie> i am not giving names , thats not the point

[01-10|02:43] <Kholdstare> besides soul who will be leaving this network soon enough
[01-10|02:44] <FMzunnie> are you really that big a dork then? i figured if i just asked it wouldnt cause no problems for anyone
[01-10|02:44] <FMzunnie> the most polite way
[01-10|02:44] <Kholdstare> exscuse me?
[01-10|02:44] <Kholdstare> ya know on second thought mabye I will close down the channels in thier entirety and start q-lining nicknames
[01-10|02:47] <Kholdstare> All FM channels then?
[01-10|02:47] <FMzunnie> just the fanmaps1....
[01-10|02:48] <Kholdstare> why 1
[01-10|02:48] <FMzunnie> because thats the admin channel
[01-10|02:48] <Kholdstare> which I have proper access to
[01-10|02:52] <Kholdstare> Fuck it, I'll leave all the channels
[01-10|02:52] <Kholdstare> know this: If I find out any of them continue to talk shit fanmaps will suffer the direct consequences
[01-10|02:53] <Kholdstare> adtionally they break even the slightest rule on this network they go poof
[01-10|02:53] <FMzunnie> thanks
[01-10|02:53] <FMzunnie> nice to know
[01-10|02:55] <Kholdstare> To make it simple, They talk shit, your network suffers.
[01-10|02:56] <FMzunnie> Your saying?
[01-10|02:56] <Kholdstare> You've already been informed, and you know exactly what I mean.
[01-10|02:57] <FMzunnie> No i dont
[01-10|02:57] <Kholdstare> How can you not
[01-10|02:57] <FMzunnie> You gonna scan the server because i asked you to leave the channels?
[01-10|02:57] <Kholdstare> IF I find any of them, posting any more shit about me, your network will suffer the consequences.
[01-10|02:57] <FMzunnie> You gonna scan the server because i asked you to leave the channels?
[01-10|02:57] <Kholdstare> No, i'm tired of dealing with stupid fucks
[01-10|02:58] <FMzunnie> Im not stupid...
[01-10|02:58] <Kholdstare> foriegn stupid fucks who haven't been around too long to know who they are fucking with
[01-10|02:58] <Kholdstare> Im tired of it, and you fucktards caught me on a BAD FUCKING WEEK
[01-10|02:58] <Kholdstare> TO PUT IT SIMPLY: THEY TALK SHIT, FANMAPS.NET IN ITS ENTIRETY DIES
[01-10|02:58] <FMzunnie> lol
[01-10|02:58] <FMzunnie> take your best shot
[01-10|02:58] <Kholdstare> mk
[01-10|02:58] <Kholdstare> like now for instance
[01-10|02:59] <Kholdstare> your getting off my server
[01-10|03:00] <FMzunnie> thanks

And after i told the gay n00b "you proved yourself a true n00b today" he decided to add a global ban ...

How come n00bs like himself can ban people from the whole n00bstories IRC? Im sure there are ALOT better admins around than him LOL!
This gay punk now prevents me from adminstrating the fanmaps servers. Not too happy about that...
