All this coming from someone who calls themself cowmisfit?

All that I'm saying is I don't like the US - not my fault. In fact the only thing I've got against america is their politicians.

And I do go out - all the time - now I'd better stop and go play football (soccer) with my friends (which cowmisfit obviously doesn't have).

So basically I'm apogizing to all the people I offended (except Cowmisfit who doesnt deserve it).[/quote]
