Subject: I hear there's rumors on the internets..
Posted by Toolstyle on Tue, 19 Oct 2004 16:02:12 GMT

AircraftkillerThat's irrelevant to this thread.

Common fallacies of logic and rhetoric:
Ad hominem - attacking the arguer and not the argument.

It wasn't an attack, I agreed with your point of veiw first, I just make a side comment that you do the same thing in other arguments, like wher you told a German to speak proper English when it isn't his primary language.
