WIP Work In Progress

...so, WIP IS a valid acronym for "Work in Progress." Any dipshit should be able to figure it out, regardless of its many other (rare) meanings. Way to go! You helped Renardin.

Seems more like Web Impact Factor to me. Reborn's work always negatively affects everything around it. It's like the equivilant of some evil gemstone radiating negative energy.

LOL, you are stupid... Just read above... rofl... DUMBASS !!! LMAO... lol... ha ha ha ha ha... moron :rolleyes:
