HAHAHAHAHAHA.... First thing i thought was Yeah, but saying it in a funny sort of way (from a Comedian look of things).

But anyway, I admit is is large. But the point is, you can't please everyone. Cause everybody wants their way. Well some people can't get their way. Thats the way life goes. So either way, one of us is going to get there way. I know its not going to be me cause Blazer will say I will have to change my sig. So might as well have some fun with it before I become disappointed.
