I do not know Christine or Blazer, but I have found them to be tolerant, fair-handed moderators.

I have found this to be a relatively smart group of strangers communicating on this forum, capable of flame-wars (sure) but mostly mature, intelligent fun. If you think that your posts are being deleted too much, maybe you should examine the content of your posts and make sure they are consistant with the level of maturity and intelligence that comprise the minimum standards we come to expect here. By the way, that makes for good moderating, not bad.
