Nobody seems to want to do this but me. I grab a grenadier, run to the walkway by the Hand and empty my grenades. I get about 200 points unless I run in and c4 the mct for more.

I bet if I could get 3 or 4 players to come along, the Hand would go down quickly. It seems that everyone is running for the other team's refinery. I think even if GDI loses their Ref, they could beat Nod easily without the Hand.
