You are doing a great job at providing the community with usefull and vital information and knowledge.

Without the dedication of these members Renegade would be boring as hell and Cheese would be more intresting!

so i think we should all give 3 w00ts to Blazer and the tutorial contributers and also all the fellow Renegade players who have helped each other and the community to become something better than cheese!!

w00t, w00t, w00t!!!!

You deserve it guys!
