SuperFlyingEngiWhat situation? The situation of having an opinion? Am I stupid for holding one contrary to an "elected" official, namely "President" Bush? Are you so pro-Republican that you can't stand to see anyone doubt their candidates?

And keep your slanderous forked tongue within the confines of your oral cavity.

I've doubted Bush's abilities enough times, and Clinton's too. Also, stop being such a fucking idiot, and RESPECT THE MAN FOR ONCE. He's the highest elected official in the nation. Show some fucking respect. Whether or not you respect him as a person, respect him as the PRESIDENT OF THE UNITED STATES OF AMERICA. Yes, that country that you live in.
