oxiQuote:- Renegade's EXE (Game2.exe) will be a single version for all users (RenGuard will download a new copy if you don't have the matching version).

will this prevent the use of no-cd cracks because we all know the renegade CD's are of a crap quality and tend to explode

Is that really a Renegade CD problem? I thought I did something bad!!! (My CD also exploded in my CD drive..... I thought it was my fault, but i never was sure as it exploded while i was doing remote connection to my home pc....
