IRON-FARTHow many people went to Afghanistan in 2000? These four did amongst many others. 800 people detained. But why were they detained? Did they do anything? How long did it take to establish that nothing wrong was done? Like I said, if I went there, would I be arrested? If I was somewhere I shouldn't be yes. Would I be detained? for a short while, yes. Would I be taken to Cuba and be detained further for years without being suspected of anything, be interrogated and tortured?? No. Because I'm not a black Muslim from Brixton.

Okay. Let me give you another spin on this since you want to try and play this game "WELL IF THAT WAS ME THIS WOULD HAVE HAPPENED" Last time I thought about it, no one has power to predict the future like that lol.

Racial Profiling. Wrong, no. OKay if we see an Muslium with a few other Mulsiums boarding a plane, and a 80+ Year old Black/White grandma. Who is going to more likely to blow up that plane??? The muslim, therefore we should be using racial profieling and checking them instead of the white people that is true.

However, if I saw a white man such as yourself walking down the streets of Afganistan in a time were if your white there just walking down the street SOMEONE WILL PROEBBLY HURT YOU, and everyones just leaving you alone. I WOULD ARREST YOU. To bad we can't test this.

But it is NOT BECAUSE THEY ARE BLACK OR MUSLUM OR FROM BRIXTEN, ITS BECAUSE OF THEY WERE IN THE WRONG PLACE AT WRONG TIME, GOT CAUGHT DOING SOMETHING WRONG, OR SOEMTHING. I can garentee you the goverment would NOT detain them that long with out it going out to the media and them bringing it to light 3 years ago or the realistic optioni. THEY DID SOMETHING WRONG.
