xC4pRoXThe funny thing is that you don't need to kill someone to stop them from killing you. I know, it sounds crazy and all, but believe it or not, it's true...

ya, u say that when he holds a gun to you. You think a Murderer thinks logically? your living in a dream world. I wouldnt take the chance, if he had a gun and i did too, I'd shoot his ass dead. Self Defense. If he didnt want to die he shoulda thought about that before he threatened my life.
