I've known about players like these before, but just finding this video makes me want to show everyone. If you think you're good, you're nothing compared to these guys... These guys are like the Terminator X, sent out for one purpose only:

To kill us all.

lol, anyways, here's the link to the movie. I know it's big (129mb), but it's worth it:

Special thanks to Hossinfeffa for hosting this movie.
