DoitleThe fluffy kitty remark was because no matter what we say you turn it against us. I could say the US has alot of soil, and that would somehow be historically linked... Here, you'd be like "You mean all that INDIAN SOIL that you viciously stole from them because they weren't able to defend themselves? Way to show your not evil". I say we have a lot of lint, we put poor clothing manufacturers overseas out of work. I say there is air here, we're STEALING it from the rightful owners, the animals.

Umm... Warranto was joking, Doitle. No one (genuinely) turned anything against you.
