genetixdeadfive"LONG LIVE WESTWOOD STUDIOS"

Thats just funny. It was a video game company. Sure they made good games but they're gone. Your complaining about people calling BHS the godfather of renegade and you go around "Oh long live westood".

Get over it. Westwoods gone. They made good games but they ended up short. Same things happened with many other games.

You remind me of a little hittler youth. "I hate what your saying heres what I'm saying..." Grow up and play some sports :rolleyes:

W-T-F
