056921-875797-974635-4716
056593-420237-415083-2316
056937-683389-174059-3263

I could be wrong, but I don't think those keys will work online. Only LAN.

At first I could not find my old renegades key that I paid for. So I used a keygen to see if the master server was still verifying keys or not. And when I tried to play online, it was no go :/

But I found my old key, so its all good
