Andy, if he wants his name changed as such I really can't see a problem with it. It'd actually prolly cut down on the number of posts he had to make and would certainly save him typing time. Just posting:

Reborn Sucks

.

Seriously though there wasn't any screen or filter on other nick changes so... If he wants to go through with it and Crimson doesn't want to tar and feather him for it, well... then his nick will be Reborn Sucks.

I stand by my earlier comment. All you cosmopolitan yuppies changing your names...
