Reborn Sucks

So are you!

You'll eventually come to realize that calling me an asshole over this isn't bothering me at all, so you can waste your time writing lengthy replies over this if you want to.

I wasn't trying to bother you, I was calling you an asshole because it's the shortest possible way to describe your personality when it comes to this.

A fucking asshole.

And just like you, not that I strive to be like you, writing that 'lengthy reply' really didn't take that long at all and I actually found it somewhat amusing (And your response even more so).

By the way, I consider being called an Asshole more of a compliment than anything else. =P
