Subject: DOS Version Of Command & Conquer = Freeware
Posted by ADM on Fri, 18 Mar 2005 07:56:46 GMT

gbullsorry for the double post. Does anyone remember how to use DOS?? I forgot how to run C&C.

And is Command Prompt the same as DOS? cuz I cant Find DOS like i did when I had Windows 95 back in the day.

Nope the Command Promt is not DOS. Best way is to install and older version of Windows with MSDOS on it such as Windows 95/98.
