Subject: SSAOW/brenbot.cfg Extended Config For !donate ?
Posted by Nightma12 on Tue, 29 Mar 2005 19:17:46 GMT

yeah, that would work

but what about if they try to use donate when they cant?

all i can think of is repond with

Sorry, But You Cannot Use The Donate Command At This Time.

because i think saying exactly whats wrong would be too hard, as i would have to accomadate for multiple things wrong... =/
