Nightma12macKeep feature requests out of this thread please, and make a seperate thread.

And no, provide me with a fix and I'll put it in the current tree.

i cant code in C++!

<http://web.black-cell.net/ssaow.zip>

i fixed version is in there though ^^

its gotta be something you changed (or someone else from BHS changed) coz it was working b4 it was built into server side core patches

I cant use visual basic .net to complie the sever side script, :/ otherwise i would try to find the error
