Well i went to log into Renguard today, and i got this message.

[22] Message from RenGuard: You have been banned by CrimsonSleepin on 26.04.2005 23:22:04 for Darkz516: Attempting to bypass RenGuard. Goodbye.

1st of all, i never tried to bypass renguard, i'm always helping and reporting ways to crimson on what ways there are to bypass it..

2nd why is Darkz516's name up there. I dont like him, he has always had some grudge against me, we've been fighting for some time now..why would he have anything to do with this?...

i havent really played ren in a while..and when i have i log in to check on the servers i admin/mod for. Thank You for your time in reading this, i hope this gets resolved ASAP seeing as i have a clan to manage..and we dont do CW's w/out RG.

btw, if some of you didnt know..my nick is also DrkAgnt.
