Common sense would suggest that you would have made sure your post had proper english before commenting about him using PROPER ENGLISH...

DaveGMMLook. Just because you can spam 20 times, and you can make size 1000 text in red, does not mean you are going to ear ANYONES respect. You are the 3rd most annoying person I know! You have been fred4ok, who is up there in the high ranks of n00bs, and if hes a n00b, you are too!

Double space between 'spam' and '20'. Earn has an 'n' in it. Anyones should have an apostrophe (possessive, the respect of ANYONE). Hes should have an apostrophe also (He is == He's).

(and nice Arnie picture )
